3. CITY MANAGER REPORT

Coos County has offered to draw up a contract for the completion of Central Blvd repairs; Kevin reminded them it has to be less than \$25,000.

Regarding our ordinance amending the cities business license, Chuck needed to know if we will allow businesses that are already established to be exempt from the ordinance or make the provisions apply to all businesses. It was suggested the city follow the model North Bend implemented. Another suggestion was to issue no fee but have a fire inspector write down the recommendations needed to be a safe business. It was decided to send the ordinance to the city attorney to see what is enforceable, and to table this for a workshop at a later date.
